

Bengü İrem Işık

iirembengu@gmail.com - 0541 698 23 08 - ANKARA/ÇANKAYA

Currently in my fourth year of studying Industrial Engineering at Hacettepe University, I am deeply engaged in the field of FMCG and defense industry. My passion for sustainability drives my commitment to integrating environmentally responsible practices into business operations. Known for my discipline and self-motivation, I am dedicated to personal growth and continuously seek opportunities to expand my knowledge and skills. My goal is to contribute effectively to the industry while pursuing innovative solutions and sustainable practices.

KEY COMPETENCIES

Process improvement	Report writing and presenting	Advanced English
